

**ICE BREAKER:** Share a time when you felt like you weren't measuring up to expectations (either your own or others'). How did you handle those feelings?

**SERMON SUMMARY:** Pastor Dave discussed Satan's first major lie: "You're not good enough." He explained how Satan targets the areas we value most, uses comparison to discourage us, and attempts to lead us away from God's plan. The sermon emphasized that God sees us as valuable enough that He sent Jesus to die for us, and we are essential to His kingdom work.

**GROUP QUESTIONS:**

1. What areas of your life does Satan most often attack with the "not good enough" lie? Why do you think he targets those specific areas?
2. How has social media and comparison affected your view of yourself and your worth? What can we learn from the concept of "relative deprivation"?
3. Pastor Dave mentioned the four steps of fishing as an analogy for Satan's temptation strategy. How have you seen this pattern play out in your own life or in others'?
4. What Scripture verses or biblical truths help you combat the lie that you're not good enough?
5. How can we as a church family help each other remember our true worth in Christ?

**LIFE APPLICATION:** This week, practice identifying Satan's lies when they come. Write down the lies you hear and counter them with God's truth from Scripture. Share these with a trusted friend or accountability partner.

**WEEKLY CHALLENGE:** Choose one area where you've believed you're "not good enough" and actively engage in it this week, trusting in God's strength rather than your own. Share your experience with the group next week.
